

obsidian

Fillauer®

Be your best.

The Obsidian takes performance to the very edge.

Dynamic Carbon Composite

Obsidian offers outstanding energy return through the curved shape and dynamic, waterproof carbon composite material.

Split-Toe Sole

The Obsidian has an exclusive split-toe design for improved multi-axial function and cornering performance. The running blades offer a tire-grade tread that can grip surfaces from the track to the trail.

STF Technology

The unique STF carbon enhances durability which allows athletes to push their limits with a blade that can keep up.
