

# ALL RUSH FEET- NOW IN SANDAL TOE!

**You asked. We listened.** Responding to lifestyle needs and requests is important to PROTEOR. You requested more RUSH feet with sandal toe and we're responding with:

- **A full-line expansion**, making sandal toe available across the entire RUSH portfolio including the RUSH EVAQ8(R) Collection.
- **Greater versatility** to meet more daily needs with a wider selection of footwear options.
- **Same exceptional RUSH performance** and confidence that you can continually depend on.

Extended footwear options.

Comfortably wear flip flops.

Go wherever you want.

More choices for pure satisfaction, **step after step.**

# MORE MATERIALS. MORE CHOICES. PURE SATISFACTION.

All RUSH feet are now available in sandal toe for more footwear options and more enjoyable experiences in more places.

## THE PROTEOR PROMISE

PROTEOR is a leading prosthetic and orthotic device company committed to collaborating with prosthetists to spark real-world innovations. We are inspired by the people who use our products. Seeing their everyday achievements motivate us to make more things possible. Our extensive portfolio includes technological breakthroughs that allow the utmost mobility, maneuverability, adaptability, and durability. PROTEOR's process for developing advancements and community support is based on a collaborative approach with prosthetists and the people they care for. When we all work together, it's amazing how much patients can achieve.
