

COMFORT 5

The Comfort 5 features the Cardio Compass heart rate display and a gel seat that further enhances comfort. The multi-position handlebars with contact grips make it easier to find your ideal riding position and monitor your heart rate, while ViewFit connectivity enables you to track your fitness over time.

FEATURES

- Unique step-through frame for increased accessibility
- Innovative Cardio Compass heart rate display for visual exertion feedback
- Ergonomically designed grips for a comfortable hand position
- Thoughtful, unique storage to keep water and towels within reach
