Special requests (in block letters):

ENG - 14018503/5/2 - 8657 NA - 03/2023 - Subject to change, no liability for errors.

¹ Due to the principle of data minimisation under data protection law, we recommend that you only send in a photo in the case of difficult anatomical features. Please do not take close-ups, the position of the scar must be clearly recognisable.

² If a patient's personal data is provided for order completion, the company placing the order confirms that it has obtained lawful consent for disclosure and processing the relevant data from the data subject in advance.
